- b. The stock details mentioned in the document are the stock earmarked against delivery of milled product for this contract. The miller shall be provided un-milled stock of Chana by NAFED. The un-milled stock shall be provided to the miller based on the fixed conversion ratio (un-milled to milled %) of 91.5%.

For NAFED (IS) Division \_\_\_\_\_

- c. The successful bidder will be responsible for lifting the unprocessed commodity from NAFED specified warehouses and transport (which includes handling, transportation, transit insurance, loading/unloading etc.) to its milling unit. The successful bidder may select any of the options listed below to take delivery of raw material
- i. Option 1: Lifting of stock against interest free security deposit (in form of RTGS/NEFT, or Bank Guarantee from a scheduled bank/nationalized bank equivalent to the 100% value of raw material which successful bidder intends to lift. For the purpose of arriving at value of raw material, cost of the stock will be considered as Rs. 6000/qtl. Bank Guarantee should be valid for the period of 12 months.
  - ii. Option 2: Lifting of stock proportionate to satisfactory and successful supply of milled items by the successful bidder within the stipulated time delivery and submission of bills with relevant documents to the State Head of the concerned branch of NAFED.
    - In such eventuality, successful miller shall be responsible for submission of all relevant documents with NAFED within 15 calendar days from date of delivery of Chana Whole to the institutional client. If he fails to submit the relevant documents within this specified period normal godown rent as per Central Subsidy Scheme will be charged.
    - If there is as any delay in receiving of acknowledgement or any other relevant documents from State Agency/ Govt./Depot/Institutional client of NAFED, Miller should intimate to respective NAFED Branch in writing within given time period of 15 calendar days and concerned branch will verify the facts of the information provided.
- d. The Successful bidder should pre-inspect the earmarked stocks of raw stock, at its own cost, before submission of the bid. Under no condition, request for change in stock location shall be entertained from the successful bidder. After the award of supply order, if the bidder complains about the quality of raw material and delays supplies on this account, NAFED may cancel the tender and award new tender at the risk and cost of the supplier.
- e. The stock location of the stock earmarked against delivery of the Chana Whole for this contract indicates the warehouse location of the concerned SWC/CWC as well as cluster of godowns located in the vicinity which may be mapped to the SWC/CWC warehouse. Successful bidder may get delivery either from the SWC/CWC warehouse or from any of the godowns in the vicinity linked to the SWC/CWC warehouse.
- f. The raw stock to be issued to the millers for the supplies under this contract is the stock allocated to the State Government of Gujarat under Central Government Subsidy Scheme. Therefore, the free lifting period will be calculated as per the date of issuance of Delivery Order in the name of the State Government by Central Government.
- g. In case of non-lifting of the raw stock within the free delivery period or the expiry of the free lifting period given to the State Govt. by Central Govt., normal godown rent shall be charged by NAFED from the successful bidder for storage of stocks based on un-lifted quantity as applicable based on the guidelines of the Central Subsidy Scheme. No godown rent will be paid by GSCSCL in any case.
- h. In case of non-lifting of the raw stock within the free delivery period, normal godown rent shall be charged by NAFED from the successful bidder for storage of stocks based on un-lifted quantity for the extended period as applicable based on the guidelines of the Central Subsidy Scheme. The stocks shall continue to be stored by NAFED on behalf of the party at the cost, risk and responsibility of the party only and NAFED/its Institutional client (GSCSCL) shall not be responsible or liable for any storage charges, damages, loss on account of deterioration of quality, shortage due to drriage, theft, fire or any natural calamity, etc. or any other consequences thereupon. Stock can be hold in the godowns for

a maximum period of 6 months after allotment of stock to State Govt. under Central Subsidy Scheme. After expiry of 6 months allotment will be cancelled as per the guidelines of the Central Subsidy Scheme. NAFED or State Govt. may not be held responsible for this.

- i. As the stock to be issued to the successful bidder/miller is allocated to State Government under Central Subsidy Scheme therefore millers are advised to supply Chana Whole after lifting raw material. If the miller/successful bidder make advance supply (before lifting raw material), any shortage w.r.t the allocated stock will neither issued from any other warehouse nor paid for.
- j. Successful bidders are required to pay Lifting charges/Loading charges, weighing charges and other expenses, if any, at the warehouse location directly at the time of lifting stock.
- k. Since the raw material is of GSCSCL and NAFED is only offering milling and supply so in case any quality dispute arise in raw Chana, NAFED will compile the request received from millers and submit the same to GSCSCL for necessary direction. The decision of GSCSCL will be final and binding on all.

### **3. Packaging & labeling**

and Conciliation Act of 1996(as amended up to date) or any statutory amendments/modifications thereof for the time being in force. The seat and venue of the arbitration shall be at New Delhi India and language of arbitration shall be English.

3. Nothing contained in this clause shall prevent the NAFED from seeking interim injunctive relief against the Supplier in the courts having jurisdiction over the parties.

**R. Additional Terms and conditions**

1. The suppliers should ensure that GSCSCL should receive the quantity as per the tendered quantity. Supplier should ensure that there are no questions/complaints arising at the time of unloading of stock in the godowns of GSCSCL regarding the quality and quantity. In case of supply of less weight by the suppliers, penalty will be deducted from the bills of suppliers as levied by GSCSCL.
2. The batch size for FRL quality inspection must be 30 MT only. Supplier strictly follow the batch size. Supplier may offer multiple batches for inspection. In case less/more quantity per batch offered by the suppliers, no sampling will be carried out by GSCSCL inspection team/FRL.
3. Successful bidders are mandatorily required to strictly comply with the provisions of the Packaging Act. In case non-compliance of packaging act, penalty will be deducted from the bills of suppliers as levied by GSCSCL.
4. The raw material for this auction is issued to the state government (GSCSCL) by Department of Agriculture and Farmers Welfare, GOI under Discounted Pulses Scheme. Thus, the delivery orders will be issued in f/o GSCSCL with limited free lifting period. Therefore, godown rent applicable after the free lifting period allowed to GSCSCL will be charged from the supplies. There might be instances where godown rent will be charged from the supplies right from the date of issue of DO by Nafed Local branch.
5. This agreement is between NAFED and the successful Bidder only. There is no role of GSCSCL.
6. If the miller has not completed the supply of even 30% of total order quantity in given schedule, the miller shall be restricted to the next one fresh auction of department, till such time the contract in hand are duly executed by the miller.
7. The miller has to provide ongoing work order detail in self declaration format.

**NOTES**

1 The specified dimensions provide for optimum free space of minimum 20 percent of length when measured along the surface of the fabric from mouth-stitch line of the sacks up to the surface level of contents. Bag manufacture shall provide suitable printed marking on the sack as a guideline for top folding and stitching.

2 The HDPE/PP woven sacks of specified dimension are suitable for packaging of foodgrains such as wheat, paddy, rice. For packaging of other grains, the buyer and the seller may agree to the dimensions other than those specified above. The tolerances specified would apply on agreed dimensions. The mass of such sacks shall be calculated by the method given in Annex E and same is given for guidance.

3 The mass of sack is based on fabrics weighing 90 g/m<sup>2</sup>.

<sup>1)</sup> Width after ravelling = 50 mm, Gauge length = 200 mm.

<sup>2)</sup> 1 N = 0.102 kgf (approximately).
