GENERAL – TERMS AND CONDITIONS

1. Eligibility condition

Online bids are invited from manufacturers of FRK meeting following eligibility criteria:

- 1.1. The bidder should be empaneled with NAFED as a FRK supplier or BOO Millers on or before the bid submission date.
- 1.2. The manufacturer should have valid FSSAI license for manufacturing, storing and packing of Fortified Rice Kernel. The manufacturing unit of the Fortified Rice Kernel and/or allied facilities including storage godowns owned or leased by the manufacturer must meet the laid down technical parameters as per FSSAI.
 - a) The manufacturing unit and/or allied facilities including storage godowns owned or leased by the manufacturer must meet the hygiene parameters as per norms laid down by Central/State government and FSSAI norms. The successful supplier shall provide a self- declaration confirming the manufacturing unit adhering to these standards along with the Security Deposit.
 - b) All the employees of the manufacturing unit should be protected against communicable diseases with preventive inoculation/vaccination. The successful bidder shall provide a self-declaration confirming the manufacturing unit adhering to health of employee along with the Security Deposit.
- 1.3. NAFED/ KSCSCL, Govt. officials may visit the manufacturing unit before award of contract.
- 1.4. Only those bidders will be eligible to participate in bidding who are empanelled with Nafed as FRK supplier or BOO millers.

Note:

- a. SUPPLYCO terms and conditions issued by them from time to time shall also be applicable for supply of FRK

2. Quality Parameters of Fortified Rice Kernel to be delivered

- 2.1. The supplies from the manufacturer shall conform to the relevant FSSAI quality specification
- 2.2. The Fortified Rice Kernel stock should be free from adulteration.
- 2.3. The manufacturer will be solely responsible for consequences for any violation of the Food Safety and Standards Act 2006 and connected rules.

3. Delivery of Fortified Rice Kernel:

- 3.1. The supplier shall submit security deposit amount in form of RTGS/ BG/ Any other mode in stipulated time mentioned in contract award letter.
- 3.2. Fortified Rice Kernel to be supplied to the KSCSCL shall be processed in the state-of-the-art Fortified Rice Kernel Mills/Units as per FSSAI Standards. The Fortified Rice Kernel shall be processed in hygienic conditions following food standards approved by the Government. The factors like clean floor, adequate light and ventilation, protection from fly/rodent/pest/bird proofing, potable water, proper disposal of wastes and safety will be ensured by manufacturers.
- 3.3. The delivery of Fortified Rice Kernel shall be made as per demand of NAFED/ KSCSCL. Final supply schedule for supply of Fortified Rice Kernel will be intimated by NAFED to

the miller/Supplier.

- 3.4. The supplier shall take all necessary steps to commence the packaging, assaying, and dispatch of the tendered quantity and supply the Fortified Rice Kernel as per the supply order.
- 3.5. Supplier shall be required to supply the total quantity as intimated by the NAFED/ KSCSCL within the delivery period stipulated in the said Supply order.
- 3.6. Supplier shall take adequate precautions to prevent damage or deterioration to Fortified Rice Kernel during storage/transportation.
- 3.7. Supplier shall be responsible and liable for any shortage, damages or deterioration to the consignment for delivered supplies in transit if the same is to be carried in their own or contractor's trucks / lorries to the destination.

4. Packaging Details

- 4.1 The Fortified Rice Kernel must be packed in 50 (Kgs) as desired by Kerala State Civil Supply Corporation Limited weight standard PP bag as per Bureau of Indian Standards specification.

The following details are to be marked on each packet

- i. Description of Contents
- ii. Net weight
- iii. Month of packing
- iv. Supplied by
- v. Warranty/ expiry date

- 4.2 If the packaging of Fortified Rice Kernel stock asked for specification is not as per requirement and any other defect found in necessary printed work etc. as per the packaged commodity Act and other rules applicable, the department shall initiate legal proceedings against the supplier or may terminate the contract as may be deemed proper by the department. Here department means The Kerala State Civil Supply Corporation Limited.
- 4.3 Each bag should be machine stitched and should not be damaged or having any perforations of any kind or marks of re-stitching etc. there should not be any other marking other than suppliers logo and other details mentioned in the tender document.
- 4.4 The net weight of stock packed should be 50 Kg. or as specified by KSCSCL of standardized specified Fortified Rice Kernel. The tare weight for the stocks supplied in new polypropylene bag of 50 kgs. Capacity should be of 110 grams per PP bag.

5. Assaying & Testing

- 5.1. Successful bidder shall ensure that the quality specifications of the supplied Fortified Rice Kernel are strictly in accordance with the terms and conditions of this contract note and FSSAI norms.
- 5.2. The successful bidder must offer sample of the processed Fortified Rice Kernel to be supplied to KSCSCL, within 2 days of receipt of award letter communication from NAFED.

- 5.3. NAFED may depute its representative at the mill point of millers at time of dispatch of FRK to KSCSCL for sampling. The samples thus drawn will be sent to FSSAI Lab or any NABL accredited lab for testing.
- 5.4. The supplier should submit/provide the NABL Accredited certificate of Fortified Rice Kernel for each lot to be accompanied by each truck to delivery depot. A copy of same to be submitted to concerned branch of NAFED alongwith invoice before settlement of bills, the branch will verify genuineness of each lab report received from the party. In case the same is not verified by the issuing lab, penalty as per clause 7.4 will be deducted and bill will be settled.
- 5.5. The quality of the Fortified Rice Kernel supplied may again be tested at the delivery location as per the sample and given specification.
- 5.6. Failure to comply with the required quality parameters will result in replacement of Fortified Rice Kernel to designated delivery stores of KSCSCL within 5 calendar days from the date of rejection for which the successful bidder shall be wholly and solely responsible for lifting of such stock at their own cost and risk, failure in that may result in necessary action to be taken against the supplier/successful bidder at the sole discretion of NAFED and forfeiture of SD.
- 5.7. NAFED may reject the supply in whole or in part if supplies not found in accordance with this contract.
- 5.8. NAFED will not be responsible in any way for rejection of stock at any point of time during delivery till receipt of satisfactory confirmation from KSCSCL.

6. Submission of bids

- 6.1. The supplier shall submit the bids online through nafed.agribazaar.com as per the bidding schedule specified above.
- 6.2. The supplier must bid price in Rs. per Quintal for supply of Fortified Rice Kernel.
- 6.3. The supplier shall submit bid considering the cost of material, processing charges, packaging charges, assaying charges, transportation charges up to delivery points.
- 6.4. The bid should be inclusive of GST.
- 6.5. The successful bidder shall submit the relevant documents to establish its eligibility as per section 1 of this contract within 2 days of bidding date, failing which the bids of the successful bidder may be rejected by NAFED.
- 6.6. NAFED reserves the right to accept or reject the bid without assigning any reason thereof.
- 6.7. NAFED shall not be responsible for any mistake done by the bidder in punching the bids during the time of e-auction. In case of punching the wrong bid, an amount @25% of EMD amount will be deducted by NAFED and balance will be released to party.
- 6.8. Institutional client/ NAFED reserves right to revise monthly quantities awarded to miller by $\pm 25\%$ or may terminate the entire contract for any month or in total. State Govt./ NAFED is not liable to present any reasons for any actions thereof and will not bear any financial liability arising due to cancellation by State etc. NAFED may also offer to extend the order quantity beyond 25% at earlier approved bid subject to consent of the miller.

7. Penalty & LD Clause

- 7.1. The supplier will be liable for the penalty as imposed by KSCSCL for delay in supplies by the supplier.
- 7.2. Default in supplies either wholly or partly, post extended delivery period, on account of quality or quantity or delay in supply may result into cancellation of the contract and undelivered quantity may be sourced from other sources at risk and cost of the miller.
- 7.3. In the event of stock rejection at the supply depot, the Miller will replace the rejected supplies at its own cost within 5 calendar days. The replacement supplies will undergo assaying and if the same are found to be not conforming to specified quality parameters then such stocks will also be rejected. If again the miller fails to replace the rejected stock within 3 calendar days, contract will be cancelled, and SD may be forfeited.
- 7.4. In case the batch-wise sample collected by NAFED fails in quality testing but accepted by KSCSCL, penalty @1% of the supply value of the batch will be deducted by NAFED at the time of settlement of bills.

8. Shelf Life

- 8.1. Supplied Fortified Rice Kernel must carry "Shelf Life" of minimum six (6) months from the date of supply at destinations for soundness, wholesomeness and fitness for human consumption provided the Fortified Rice Kernel after supply by bidder are properly stored in ambient conditions by Government authorities. In the event, the stock is found not-conforming to the mentioned quality parameters anytime during period of 6 months from date of packaging, the successful bidder shall be liable to replace the same at its own cost & risk failing which SD submitted by the successful bidder shall be forfeited by NAFED upto the extent of cost of rejected stock.

9. EMD and Security Deposit

- 9.1. Before participation in the bidding process, eligible bidder must deposit requisite EMD through UAN allotted to bidders. The bidders must deposit requisite amount in their UAN through NEFT/RTGS. Thereafter, the bidder shall pay EMD for each intended auction individually.
- 9.2. Bidders who have already submitted EMD are not required to submit EMD again.
- 9.3. EMD of the Successful Supplier would be retained by NAFED and shall be refunded after submission of security deposit of amount equivalent to 5% of contract value calculated on the basis of quoted supply price by the miller. The successful Supplier may opt to convert the EMD amount to required security deposit and submit additional security deposit of the balance amount.
- 9.4. The successful supplier will have to submit security deposit of amount equivalent to 5% of contract value calculated on the basis of quoted supply price either in form of Bank Guarantee (lien marked to NAFED) or Demand Draft from any nationalized bank or through NEFT/RTGS to NAFED. The Security deposit must be submitted to NAFED in original within 05 days of acceptance & approval of bid for the contract to the supplier.
- 9.5. Upon satisfactory supply of the tendered items by the successful supplier within the stipulated time, the security deposit of the supplier will be returned (without any

interest) after 3 months from date of acceptance of supply by KSCSCL. In the event of a delayed supply for which penalty & LD has to be imposed on the supplier, the security deposit of the supplier will be returned after recovery of LD charges, as applicable, from the supplier.

10. Consideration and payments

10.1. It is hereby agreed and accepted between the parties that, the payment will be released to supplier after receiving the payment from KSCSCL, a charge equal to quantity of Fortified Rice Kernel delivered to KSCSCL multiplied by the supply rate quoted as per the bid offered by the successful Supplier in the bidding process on the electronic portal.

11. Acceptance of terms and conditions:

11.1. By submitting the EMD, the Supplier confirms that he/she has read and agrees to all the terms and conditions mentioned in this contract as well as the empanelment agreement provided by NAFED on its website along with all the corrigendum / addendum thereof.

11.2. The successful Supplier shall submit a stamped and signed copy of this document in original along with the Security Deposit to the Branch Manager of the concerned branch of NAFED.

12. Applicable law, Jurisdiction and Dispute Resolution:

- (i) This bidding shall be constituted and the legal relation between the parties hereto shall be determined and governed according to the laws of Republic of India and only courts at High Court of Delhi shall have the jurisdiction in all matters arising out of /touching and/or concerning this agreement and parties to this bidding agree to irrevocably submit to the exclusive jurisdiction of those courts for purposes of any such proceeding. The aforementioned exclusive and irrevocable jurisdictions of aforesaid courts are irrespective of place of occurrence of any cause of action pertaining to any dispute between the parties.
- (ii) All or any disputes arising out or touching upon or in relation to the terms of this bidding including the interpretation and validity of the terms thereof and the respective rights and obligations of the parties shall be settled amicably by mutual discussion failing which the same shall be settled through arbitration. The arbitration proceedings shall be governed by the Arbitration and Conciliation Act of 1996(as amended up to date) or any statutory amendments/modifications thereof for the time being in force r/w relevant provisions of Multi State Co-operative Societies Act of 2002. The venue of the arbitration shall be at New Delhi India and language of arbitrationshall be English.
- (iii) Nothing contained in this clause shall prevent the NAFED from seeking interim injunctive relief against the Buyer in the courts having jurisdiction over the parties

13 Force Majeure

Should any extra-ordinary and unforeseen circumstances arise, like fire, flood or any other natural calamities, strike, riot, civil commotion, epidemic, plague, accident and/or war preventing either contracting party from fully or partially carrying out the obligations under the contract, party so prevented shall inform in writing the other party of the causes of such failure within 2 (three) days from the beginning thereof and shall not be liable for performance of the contract wholly or to the extent of non-performance, as the case may be.

14 Non-Performance

In the event of Non-performance wholly or partly under the bid documents /agreement/ guidelines and notices issued by NAFED from time to time, the successful bidder shall be held responsible for any consequential loss causing to NAFED and shall be recovered from the successful bidder. Further, the successful bidder may be "Blacklisted" from NAFED's Panel.

15 Interpretation of the clauses in this bid documents

In case of any ambiguity/ dispute in the interpretation of any of the clauses in this bid Document,
NAFED's interpretation of the clauses shall be final and binding on all bidders.

STANDARD MINIMUM REQUIREMENTS OF HYGIENE IN FOOD FACTORIES

1. To ensure the standard of hygiene in a factory the following minimum requirements shall apply:-

- (a) **Floors**. The floors should be impervious and kept clean all times.
- (b) **Lighting and Ventilation**. Adequate standards of lighting (natural and artificial) in working parts of the factory together with adequate ventilation and sufficient space for and protection from machinery.
- (c) **Fly / Rodent / Pest / Bird Proofing**. Fly / rodent / pest / bird proofing of factory premises to the extent necessary to protect raw material during storage and processing and the manufactured products until it has been packed and the containers sealed.
- (d) **Water-Supply**. An adequate supply of potable water in the factory and drinking water for the employees will be provided which shall be periodically tested and certified as free from injurious bacteria and other substances by a public health laboratory.
- (e) **Disposal of Wastes**. An efficient drainage system must be provided with proper methods of disposal of waste-water and other effluents. Provision must exist to eliminate dusts/fumes if any.
- (f) **Conservancy**. A proper conservancy system adequately serviced with approved methods of disposal of human excreta.
- (g) Additional special hygiene precautions are necessary when waste products which are dangerous or likely to create conditions which are dangerous to health are produced at any stage during handling of raw materials or its manufacture.
- (h) **Safety**. Adequate fencing of machinery shall be secured in the case of all types of machinery and its moving parts and the moving machinery shall be kept in a position which provides sufficient safeguard against any accident. Each factory must have first aid box with necessary minimum items.

Workers.

- a. So far as the health of the employees is concerned, they shall be periodically examined by Medical Officer and it should be ensured that no individual suffering from any communicable disease or any disability likely to result in contamination of the raw materials, implements, equipments or finished products, is employed.
- b. All the employees should be protected against communicable diseases with preventive inoculation / vaccination.
- c. Provisions for personal hygiene of employees will include potable drinking water, washing facilities (Soap, basin or taps, nail brushes and towels) sanitary annexes and at least two sets of clean clothing for each employee for use only in the factory and Masks / hand gloves, where necessary. There should be a separate room for keeping the personal belongings and to change the clothes and for drying of wet clothes.
