In the event, during the contract, if it is found by NAFED that successful bidder is undertaking milling in a mill not registered with NAFED/ for which valid proofs have not been submitted as per above Clause A of Eligibility or supplying milled dal procured from open market, it shall be treated as breach of contract and the contract shall stand cancelled. necessary action shall be taken against the successful bidder. Miller shall inform Nafed branch, the offering units/points engaged in supply in addition to the milling unit.
- c. NAFED or authorized official on behalf of the Institutional Client of NAFED (GSCSCL), can visit the milling premises at any point of time during the process of completion of supply order awarded to the successful bidder.
- d. NAFED or authorized official from the Institutional Client of NAFED (GSCSCL) at its own discretion may get samples tested for added color/adulteration. The Cost of such test will be debited to successful bidder's account. Action will be initiated against those successful bidders who fail to comply with above specified quality parameters as per terms and conditions, and as per provisions under Food Safety and Standards Act and connected rules.
- e. The Successful bidders will be solely responsible for consequences for any violation of the Food Safety and Standards Act, 2011 and connected rules.

### **2. Details of stock of raw material offered for milling**

- a. The detail of the stock offered for processing will be detailed in the auction scheduled. The stock will be offered on net weight basis.
  - b. The stock details mentioned in the document are the stock earmarked against delivery of milled product for this contract. The miller shall be provided un-milled stock of Tur by NAFED. The un-milled stock shall be provided to the miller based on the fixed conversion ratio (un-milled to milled %) of 73.23%.
  - c. The successful bidder will be responsible for lifting the unprocessed commodity from NAFED specified warehouses and transport (which includes handling, transportation, transit insurance, loading/unloading etc.) to its milling unit.
  - d. The successful bidder may select any of the options listed below to take delivery of raw material
    - i. Option 1: Lifting of stock against interest free security deposit (in form of RTGS/NEFT, or Bank Guarantee from a scheduled bank/nationalized bank equivalent to the 100% value of raw material which successful bidder intends to lift. For the purpose of arriving at value of raw material, cost of the stock will be considered as Rs.10500/qtl. Bank Guarantee should be valid for the period of 12 months.
    - ii. Option 2: Lifting of stock proportionate to satisfactory and successful supply of milled items by the successful bidder within the stipulated time delivery and submission of bills with relevant documents to the State Head of the concerned branch of NAFED.
- In such eventuality, successful miller shall be responsible for submission of all

relevant documents with NAFED within 15 calendar days from date of delivery of Oil Coated Tur Dal to the institutional client.

- If there is any delay in receiving of acknowledgement or any other relevant documents from State Agency/Govt./Depot/Institutional client of NAFED, Miller should intimate to respective NAFED Branch in writing within given time period of 15 calendar days and concerned branch will verify the facts of the information provided.
- e. The bidder should pre-inspect the earmarked stocks of raw stock, at its own cost, before submission of the bid. Under no condition, request for change in stock location shall be entertained from the successful bidder. After the award of supply order, if the bidder complains about the quality of raw material and delays supplies on this account, NAFED may cancel the tender and award new tender at the risk and cost of the supplier, and an additional cost if any shall be recovered from bidder and SD shall be forfeited and bidder may be blacklisted after following proper procedure. Risk Cost will be recovered from SD amount and balance SD will be returned to miller, if any.
- f. The stock location of the stock earmarked against delivery of the Oil Coated Tur Dal for this contract indicates the warehouse location of the concerned SWC/CWC as well as cluster of godowns located in the vicinity which may be mapped to the SWC/CWC warehouse. Successful bidder may get delivery either from the SWC/CWC warehouse or from any of the godowns in the vicinity linked to the SWC/CWC warehouse.
- g. The raw stock to be issued to the millers for the supplies under this contract is the stock allocated to the State Government of Gujarat under Central Government Subsidy Scheme. Therefore, the free lifting period will be calculated as per the date of issuance of Delivery Order in the name of the State Government by Central Government (i.e. last date of free lifting period is dt. 19/11/2024).
- h. In case of non-lifting of the raw stock within the free delivery period allowed to GSCSCL, godown rent (Rs.12/- per bag) shall be charged by NAFED from the successful bidder wherever applicable for storage of stocks based on un-lifted quantity for the extended period of up to 30 days.
- i. In case the successful bidder fails to lift the confirmed quantity within the free period, as above after payment of godown rent as mentioned above, the stocks shall continue to be stored by NAFED on behalf of the party after 30 days (as above) at the cost, risk and responsibility of the party only and NAFED shall not be responsible or liable for any storage charges, damages, loss on account of deterioration of quality, shortage due to draught, theft, fire or any natural calamity, etc. or any other consequences thereupon. However, the DO will remain valid till 60 days from the date of Issue with godown rent. After expiry of 60 days, the DO will stand cancelled for lifting by the miller and NAFED will auction the stock and will deposit the cost of raw material/ DRP of raw material /sale proceeds whichever is lower, to the account of the miller after deductions of expenses if any incurred. Here cost of raw material is the rate at which DoCA has made allocation of Tur to GSCSCL. No other claim of the party on account of cancelled DO will be entertained.
- j. As the stock to be issued to the successful bidder/miller is allocated to State Government therefore millers are advised to supply Oil Coated Tur Dal only after lifting raw material.
- k. Successful bidders are required to pay Lifting charges/Loading charges, weighing charges and other expenses, if any, at the warehouse location directly at the time of lifting stock.
- l. Since the raw material is of GSCSCL and NAFED is only offering milling and supply so in case any quality dispute arises in raw Tur, NAFED will compile the request received from millers and submit the same to GSCSCL for necessary direction. The decision of GSCSCL

will be final and binding on all.
